

Host an AmeriCorps Literacy VISTA

Does your organization:

- *serve communities in poverty?*
- *want to expand or improve its ability to address literacy needs of those you serve?*
- *have the ability to provide support to a VISTA member year-round?*

If you answered yes to these questions, then we invite you to apply to host a VISTA!

A dedicated, full-time Literacy VISTA will **build the capacity of your organization to create, expand, improve or sustain literacy-focused programming for children, youth or adults.** You'll more effectively help Minnesotans gain the skills they need to move out of poverty.

Rather than direct service, VISTAs work behind the scenes on projects such as:

- *developing new curriculum*
- *designing program evaluation*
- *expanding partnerships*
- *improving volunteer recruitment and training*
- *conducting needs assessments*
- *and more!*
